

# **COOKSTOWN HIGH SCHOOL**

## **Concerns & Complaints Policy**

**December 2017**

## **Rationale and Ethos**

At Cookstown High School we aspire to provide the best possible educational and service experiences for our learners and create meaningful and enduring partnerships with families and other stakeholders.

Sometimes however there may be times when stakeholders will feel less than satisfied with an aspect of the service provided by school. If this happens we would like to be informed. That enables school to work with families to reach consensus, which is the essence of the home school partnership and is in the best interests of our pupils.

This Concerns and Complaints Policy is intended to assist stakeholders who are dissatisfied with school and provide a clear framework for the management of expressions of concern and complaints.

Parents or carers who voice concerns, make comments or complaints should feel confident in doing so, knowing that it will in no way have any negative impact on their children or on the school's commitment to developing a positive home school partnership for the future.

This policy should be read and interpreted in the context of the school ethos which values each person as unique, calls on all members of the school community to show respect for all and to take responsibility for their own words and actions.

## **AIMS**

When dealing with complaints the school will;

- encourage resolution of all concerns as quickly as possible
- provide timely responses to concerns and complaints
- keep you informed of progress
- ensure a full and fair investigation of your complaint where appropriate
- have due regard for the rights and responsibilities of all parties involved
- respect confidentiality
- fully address complaints and provide an effective response
- take appropriate action to rectify the issue and prevent it happening again where appropriate
- be responsive to learning from outcomes which will inform and improve practice within the school.

A copy of this policy is available on the school's website or is available from the school on request.

**Definitions**

For the purpose of this policy Cookstown High School feels it is useful to establish a common understanding of the following terms.

*Comment*

An expression of praise or appreciation directed at staff or a service delivered by the School, a suggested service improvement, or an anonymous complaint where the School has no way to respond to the stakeholder.

*Concern*

An expression of unease about any matter related to School. The concern may be about the wellbeing of a pupil, an aspect of school life or the exercise of the School's function. Concerns require attempts at resolution with the objective of restoring the relationship between the person expressing the concern and School.

*Complaint*

Any expression of dissatisfaction by one or more members of the public about our action or lack of action, or about the standard of service provided by or on behalf of the School. Complaints require investigation with the objective of restoring the relationship between the complainant and the School.

**Below is a guide to how to effectively voice your concerns:**

*General concerns:* Any problem or concern should be raised promptly with your son or daughter's Form Tutor. If your concern is of a particularly serious or sensitive nature, you may prefer to discuss it with a member of staff responsible for the area you are concerned about, for example, the relevant Head of Year or Curriculum Leader (Head of Department). Staff will make every effort to resolve the problem or concern promptly at this informal stage. Experience shows that most concerns can best be resolved through informal discussion. If you suspect the concern is of a Safeguarding or Child Protection nature, then please follow the Safeguarding and Child Protection procedures immediately.

*Concern about the quality of learning or teaching:* This may be brought in the first instance to the Curriculum Leader. The Curriculum Leader will listen to your concern, follow it up as appropriate and respond to you within an agreed timescale. If the concern is about the Curriculum Leader you may bring it directly to the Vice Principal Curriculum.

*Concern about relationships with a teacher:* This should be brought in the first instance to the Head of Year. The Head of Year will listen to your concern, follow it up as appropriate and respond to you within an agreed timescale. If the concern is about the Head of Year you may bring it directly to the Vice Principal Pastoral.

*Concern about how a behavioural matter has been dealt with:* This should be brought in the first instance to the Head of Year or, if the concern is about the Head of Year, to the Vice Principal Pastoral. The relevant member of staff will listen to your concern, follow it up as appropriate and respond to you within an agreed timescale.

*Concern about how a Curriculum Leader or Head of Year has responded to or dealt with a matter:* This should be brought to the appropriate Vice Principal: the Vice Principal Pastoral deals with all matters relating to pupil wellbeing, behaviour and inclusion, the Vice Principal Curriculum with any matter relating to Learning and Teaching. The Vice Principal will listen to your concern and may ask a Senior Teacher to investigate it as appropriate. The Vice Principal will respond to you within an agreed timescale.

*Concern about how a Vice Principal has responded to or dealt with a matter:* This should be brought in the first instance to the Headmaster. The Headmaster will listen to your concern follow it up as appropriate and respond to you within an agreed timescale.

If having taken your concern through the appropriate channels you still feel that the matter has not been dealt with satisfactorily you may wish to initiate a formal complaint.
